

Tuition Assistance Program

Woodland Montessori School, Inc.

Woodland educates children, families, and our community through the Montessori philosophy, with an emphasis on inclusivity, diversity, and environmental stewardship.

Dear Applicant,

Every year, Woodland families, children, staff members, and friends work together to raise money for our Tuition Assistance Program. These funds allow Woodland to offer tuition grants of \$50 to \$250 per month to a limited number of families that demonstrate financial need. The program prioritizes:

1. Requests for continued funding from families already receiving tuition assistance;
2. Requests from currently-enrolled families whose financial circumstances have changed;
3. All other requests, as funding allows.

Timeline

We make decisions about tuition assistance for the school year in two rounds every spring:

Round 1: Currently-enrolled families *Applications due February 1st*

Round 2: New families *Applications due March 1st*

Funding decisions are made within a month of each round's application deadline.

How to Apply

To apply, send Jim Hansen, CFO:

- A letter that tells us how much tuition assistance you need, and why that amount will enable your family to attend Woodland.
- A list of your total income and expenses each month. We have a form you can use, or you can provide your own budget.
- Proof of current income, such as your most recent tax return, current W2s, or recent pay stubs.

Need help finding documents or preparing your application? No problem. Contact Jim Hansen (jim@woodland-montessori.org) if you'd like help or have questions. Thank you for your interest in Woodland's Tuition Assistance Program.

Warmly,

Jim Hansen
